DENTS. CHIPS. CRACKS. BLOWOUTS.

You never know exactly what's coming down the road, but you can depend on this: when these common incidents occur, there will be a price to pay. Be ready with AutoBodyguard Protection, a state-of-the-art product suite that helps preserve your investment—as well as your peace of mind.

A little protection goes a long way—up to 84 months, if you choose. You also have a choice of four convenient coverage levels of AutoBodyguard Protection. Select the product package that's right for you, and you'll be covered when the road gets rough.

Protection Plan Coverages Include:

Paintless Dent Repair

- Easily removes minor dents and door dings
- Preserves the beauty and integrity of body panels
- Developed by major automotive manufacturers
- Works from behind the body panels, without sanding, painting, or body fillers

Windshield Repair

- Safely repairs the windshield for clarity and vision
- Prevents small chips from becoming large cracks
- Prevents costly windshield replacement and eliminates windshield insurance deductible expense
- Preserves the integrity of the original windshield seal

Tire and Wheel Repair and Replacement

- Protects against damage caused by nails, glass, potholes, and debris
- Coverage includes costs for tire repair or replacement, wheel repair or replacement, mounting, balancing, and valve stems
- Coverage for cosmetic damage to wheels, including chrome, caused by accidental contact with curbs, medians and parking stops

Alloy Wheel Repair

- Repairs cosmetic blemishes and scrapes
- Restores wheel beauty and finish

Key and Key Remote Replacement

- Replaces key or key remote if lost, stolen, or destroyed
- Includes programming of replacement at dealership
- Up to \$800 in annual coverage
