POWERTRAIN COVERAGE

Gasoline Engine/Diesel Engine
All internal lubricated parts.

Transmission and Transfer Case
All internal lubricated parts.

Turbocharger/Supercharger (factory installed only)
Turbocharger/Supercharger Housing and all internal lubricated parts.

Front and Rear Wheel Drive/Four Wheel and All Wheel Drive
All internal lubricated parts.

POWERTRAIN + COVERAGE:

Parts covered include but are not limited to all components listed in Powertrain Coverage in addition to the following:

Air Conditioning and Heating

Heater core; blower motor; air conditioning compressor; air conditioning compressor clutch; air conditioning compressor pulley; air conditioning condenser; air conditioning evaporator; expansion valve; air conditioning power module, controller and relay; and more. Refrigerant only if needed in conjunction with the repair of a Covered Part.

Suspension

Upper and lower control arms; control arm shafts and bushings; radius arm and bushings; trailing arm; track bar; stabilizer shaft, links, and bushings; upper and lower ball joints; torsion bars; torsion bar mounts; torsion bar bushings; coil springs; leaf springs; steering knuckles; strut bar; strut mounts; strut bushings; strut and strut inserts; and more.

Cooling System

Water pump; belt tensioners; radiator; thermostat; oil cooler; cooling fan clutch; cooling fan electric motors; fan blade assembly; coolant reservoir sensor.

Electrical

Alternator; alternator voltage regulator; back up light switch; distributor; horns; ignition coil; oil pressure sending unit; sensors (engine management); main wiring harness, ignition module and main electronic control unit; powertrain control module; starter motor; solenoid and starter drive; switches.

Gasoline Fuel System

Fuel tank; fuel sending unit; fuel pump; fuel injectors; fuel injection rails; fuel pressure regulator; metal fuel lines; throttle body; idle air control solenoid; idle air control motor; warm up regulator.

Diesel Fuel System

Fuel tank; fuel sending unit; fuel pump; high pressure fuel pump; lift pump; accessory vacuum pump and injector pump; fuel injectors; fuel distributor; fuel pressure regulator; fuel/water separator; metal fuel lines; throttle body; idle air control solenoid; idle air control motor; warm up regulator.

Brakes and ABS System

Brake master cylinder; brake power assist boosters; brake power assist valves; disc brake calipers; bleeders; brake adjusters; backing plates; brake pedal apply pin; wheel cylinders; combination valve; proportioning valve; metering valve; brake hydraulic lines and fittings; ABS booster; ABS pump/motor; ABS control processor; ABS dump valve; ABS sensors; ABS solenoids; ABS electronic control compressor; ABS hydraulic control unit; ABS modulator valve; ABS compensating valve; ABS accumulator and more.

Steering

Steering gear; rack and pinion; rack and pinion mounts and bushings; power steering pump; power steering hoses and couplings; power steering cooler; steering main and intermediate shafts; steering column; steering column bearings; steering column couplers; electronic power steering motor; steering box; pitman arm; idler arm; tie rods; drag link; tilt wheel mechanism; rack bellows; center link; control valve; relay rod.

COMPREHENSIVE COVERAGE ADDS:

Parts covered include but are not limited to all components listed in Powertrain Plus Coverage in addition to the following:

Audio

(Factory installed only) AM radios, AM/FM radios, satellite radios, antenna motor, cassette players, CD players, and CD changers (excluding speakers and graphic equalizers).

Entertainment and Navigation

(Factory installed only) DVD players, VHS players, and navigation equipment.

Hybrid System

IMA control unit for battery; IMA control unit for electric motor; junction board assembly; IMA motor stator assembly; IMA motor rotor assembly; PDU unit (pre-driver); PDU converter.

SMART TECH COVERAGE:

The following Factory Installed Components/Systems: Speaker system; Rear Entertainment System; Hot-Spot WiFi Module; Bluetooth Systems; Collision Avoidance System; Blind Spot Monitoring System; Park Assist System; Keyless Access System (not key fob); Remote Start System; Homelink/Garage Door Control Transmitter; Electronic transmitting and receiving devices, DVD Players; VHS Players; Telephones; Radar Detectors; GPS Equipment / System; and Gaming System. Smart Tech coverage will expire when your vehicle reaches 150,000 miles as indicated on your odometer or the expiration of the term of this Agreement, whichever occurs first. All aftermarket components are excluded.

TOTAL EXCLUSIONARY COVERAGE:

Provides coverage for any mechanical/electrical Breakdown of Your Vehicle, less the selected Deductible, except items that are specifically not covered (normal maintenance items). See your contract for details.

WRAP COVERAGE:

For Vehicles with factory powertrain warranty, Wrap covers everything but powertrain items and converts a limited factory coverage to an exclusionary plan. See your contract for details.

*All plan terms/miles (excluding Wrap Coverage) are added from date and miles at time of sale. Wrap plans are true term and expire as written. See your contract for details.

Seals and Gaskets

Seals and Gaskets of covered components designed to prevent the loss of necessary coolants, lubricants and fluids are covered. Coverage will expire when your vehicle reaches 150,000 miles as indicated on your odometer or the expiration of the term of this Agreement, whichever occurs first. After 150,000 miles, seals and gaskets will be covered only if required in conjunction with a covered repair. Applies to Powertrain, Powertrain +, Comprehensive, and Total Exclusionary coverage plans.
