

ADDITIONAL BENEFITS:

Emergency Roadside Assistance

Available 24 Hours a day
7 Days a week
365 Days a year

- Towing Assistance
- Flat Tire Assistance
- Fuel, Oil, Fluid and Water Delivery Service
- Lock-out Assistance
- Battery Assistance

This brochure is not a contract but an outline of the Smart Autocare Premier Vehicle Service Agreement program. See your contract for exact terms, coverages and exclusions.

Premier Vehicle Service Agreement

Even when vehicles are well maintained, unexpected problems can arise leaving you stressed out over the inconvenience and high repair costs. It is one thing to be prepared for basic maintenance costs, but quite another to experience a sudden and costly mechanical breakdown. The Premier Vehicle Service Agreement provides an array of coverages that offer peace of mind and get you back on the road quickly.

Premier Coverage

• GASOLINE ENGINE

All internal lubricated parts within the engine including pistons, piston rings, piston pins, crankshaft, main bearings, thrust washer, connecting rods, connecting rod bearings, camshaft, camshaft sprocket, camshaft bearings, timing belt/chain, timing chain gears, timing chain guides, timing belt/chain tensioner, push rods, rocker arms, rocker arm shafts, balance shaft, hydraulic lifters, solid lifters, intake valves, exhaust valves, valve guides, valve springs, valve spring retainer, valve keepers, valve stem seals, oil pump, silent shaft, harmonic balancer, intake manifold, exhaust manifold, freeze plugs, throttle valve cable, engine mounts, and water pump.

• DIESEL ENGINE

All internal lubricated parts within the engine including pistons, piston rings, piston pins, crankshaft, main bearings, thrust washer, connecting rods, connecting rod bearings, camshaft, camshaft sprocket, camshaft bearings, timing chain, timing chain gears, timing chain guides, timing chain tensioner, push rods, rocker arms, rocker arm shafts, balance shaft, hydraulic lifters, solid lifters, intake valves, exhaust valves, valve guides, valve springs, valve spring retainer, valve keepers, valve stem seals, oil pump, silent shaft. Harmonic balancer; intake manifold; exhaust manifold; vacuum pump; freeze plugs; EGR cooler; throttle valve cable; engine mounts; water pump; glow plugs; fuel injection pump; metal fuel lines; fuel injection nozzles. Engine block, oil pan and cylinder heads are covered only if damaged by the failure of an internal lubricated part.

• TRANSMISSION

All internal lubricated parts within the transmission including torque converter, valve body, valve body shift solenoids, accumulator rings, accumulators, adjusters, bands, bearings, boost valve, center support chain, check balls, clips, clutch drums, clutch piston, clutch packs (automatic transmission only), control rings, counter shaft, detent valve, gears, governor, governor gear, output shaft, parking gear, planetary gears carrier, planetary gears, pressure regulator valve, pressure switches, ring gears, roll pins, separator plate, servo rings, servo sleeves, shift forks, shift shafts, shift valves, shifter shaft, snap rings, sprags, springs, sprockets, stator shaft, sun gear shell, sungears, synchronizer hub, synchronizer key(s), synchronizer ring, synchronizer sleeves, synchronizer springs, synchronizer(s), transfer shaft. Transmission mounts; transmission mount bushings; flywheel/flexplate; transmission cooler; oil lines; detent cam; detent cam spring; front pump; front pump gears; front pump guide rings; front pump vanes; vacuum modulator; auxiliary valve body; modulator valve; parking pawl; speedometer drive gear. Transmission cases, housings, and transmission oil pan are covered only if damaged by the failure of an internal lubricated part.

• TURBOCHARGER/SUPERCHARGER (factory installed only)

Turbocharger/Supercharger Housing and all internal lubricated parts.

• TRANSFER CASE

All internal lubricated parts within the transfer case including main shaft, output shafts, bearings, drive sprocket, synchronizers, planet carriers, shift forks, and chain. Transfer case is covered only if damaged by the failure of an internal lubricated part.

• FRONT WHEEL DRIVE/REAR WHEEL DRIVE SYSTEM

All internal lubricated parts within the drive axle/transaxle assembly including differentials, ring gear, pinion gear, pinion bearings, axle bearings, axle races, axle flange, carrier bearing, center bearings, differential carrier, drive axle bearings, pins retainers, shims, side gears, slip joint, spider gears. Pinion flange; U joints; axle shafts; CV joints; drive axle; drive shaft; half shafts; hub bearings; wheel bearings; on Covered Parts. Drive axle housing is covered only if damaged by the failure of an internal lubricated part.

• FOUR WHEEL DRIVE/ALL WHEEL DRIVE SYSTEM

All internal lubricated parts within the drive axle/transaxle assembly including differentials, ring gear, pinion gear, pinion bearings, axle bearings, axle races, axle flange, carrier bearing, center bearings, differential carrier, drive axle bearings, pins, retainers, shims, side gears, slip joint, spider gears. Pinion flange; U joints; axle shafts; CV joints; drive axle; drive shaft; half shafts; wheel bearings; automatic locking hubs; manual locking hubs; hub bearings; four wheel drive actuator motor; front axles; front drive shaft; four wheel drive engagement switch. Drive axle housing is only covered if damaged by the failure of an internal lubricated part.

• SEALS & GASKETS

Seals and Gaskets of covered components designed to prevent the loss of necessary coolants, lubricants and fluids are covered. Coverage will expire when your vehicle reaches 150,000 miles as indicated on your odometer or the expiration of the term of this Agreement, whichever occurs first. After 150,000 miles seals and gaskets will be covered only if required in conjunction with a covered repair.

Premier Plus Coverage

Parts covered include but are not limited to all components listed in Premier Coverage in addition to the following:

• ELECTRICAL

Alternator; voltage regulator; starter motor; starter solenoid and starter drive; turn signal switch; stop lamp switch; ignition switch; wiper switch; washer pump and switch; headlamp switch; defroster switch; blower speed switch; window motors; door actuators; sunroof motor.

• AIR CONDITIONER

Air conditioner compressor; clutch and pulley; evaporator; condenser; expansion valve; and blower motor. Accumulator/drier and orifice tubes are only covered in connection with replacement of an above listed component and only if they have failed.

* All plan terms/miles are added from date and miles at time of sale.
