What is Lease Care Platinum Plus?

Lease Care Platinum Plus combines seven individual coverage categories to pay unexpected expenses incurred both during the Lease term and at Lease turn in. Coverage includes Tire & Wheel, Paintless Dent Repair, Windshield Repair, Key Replacement, Paint & Interior Protection, Lease End Protection, plus Roadside Assistance. We have created unique coverage terms from 12 months up to 84 months, as well as a special lease term. This unique coverage is available to match usual Lease Terms. There is No Deductible charge for covered claims.

Coverage

• Tire & Wheel Repair/Replacement

Repair or replacement for tires and/or wheels due to impact with road hazards such as potholes, nails, glass, road debris, etc. Includes cosmetic, curb and sidewall damage.

• Paintless Dent Repair

Paintless Dent Repair (PDR) removes most minor dents and dings up to four (4) inches. PDR is a detailing process using specialized tools to gently push metal back to its original form

• Windshield Repair

Repair of chips or cracks caused by propelled rocks or road hazard debris while driving on public roads, streets and highways.

• Key Replacement

Repair or replacement of keys, key fobs and keyless entry if they become stolen or destroyed. Maximum benefit up to \$500 for annual repair/replacement.

• Paint & Interior Protection

Protection against acid rain, bird droppings, insects, tree sap, weather induced fading, chalking, loss of gloss. Protection for interior fabric, leather and vinyl against normal spills or soiling from dirt, water, coffee, soda, milk, mildew, discoloration, or fading.

• Lease End Protection

Provides up to \$1500 in coverage for excess wear and tear charges owed on your leased vehicle at end of lease term.

- Terms available to match lease term
- Additional coverage options available at Lease Extension and Lease Buy-Out.

• Roadside Assistance

24 Hour Roadside Assistance for a Tire or Wheel emergency.
