**GUARANTEED ASSET
PROTECTION (GAP)**

COVERAGE DETAILS

Guaranteed Asset Protection (GAP) is designed to waive the difference between your primary insurer's settlement amount and the outstanding balance owed on your vehicle, on the date of loss.

WHY GUARANTEED ASSET PROTECTION (GAP) MAKES SENSE FOR ME

If your vehicle is stolen or damaged and deemed a total loss, you are responsible for paying the difference between what you owe and what your insurance company says your vehicle is worth. GAP can help cover the difference and potentially save you thousands of dollars.

GAP allows you to rest easy knowing that you are protected financially in the case of an accident or theft. If your vehicle was totaled tomorrow, would you be able to cover the remaining loan.
