# WHY GUARANTEED ASSET PROTECTION (GAP) MAKES SENSE FOR ME

If your Recreational Vehicle is stolen or damaged and deemed a total loss, you are responsible for paying the difference between what you owe and what your insurance company says your RV is worth. GAP can help cover the difference and potentially save you thousands of dollars.

GAP allows you to rest easy knowing that you are protected financially, in the case of an accident or theft. If your Recreational Vehicle was totaled tomorrow, would you be able to cover the remaining loan balance? With GAP, it's better to be safe than sorry.
