# DOES AN RV THEFT PROTECTION SYSTEM MAKE SENSE FOR ME?

This Theft Protection System is a highly effective way of deterring thieves from targeting your Recreational Vehicle and will be installed before you leave the dealership. Terms are flexible so you can choose the plan that is right for you, from 1-6 years with either a \$2,500 or \$5,000 benefit.

The true cost of RV theft goes well beyond the loss of your Recreational Vehicle. Insurance companies often only cover market value at the time of loss, leaving you with significant, out-of-pocket expenses.
