## Extending your coverage

You may want to consider additional protection.

A Zurich vehicle service contract—in combination with your Lifetime Engine Limited Warranty—is a smart way to add protection to additional vehicle systems and extend your coverage. Like the Lifetime Engine Limited Warranty, Zurich vehicle service contracts cover parts and labor costs to repair or replace major component groups.

A vehicle service contract adds only a minimal amount to your monthly vehicle payment, or you may want to take advantage of our interest-free payment plan. Either way, you'll eliminate costly repair bills later on. A vehicle service contract can keep your costs down and keep your vehicle running down the road.

You've made a great decision. As you drive home in your new car, you can feel proud and confident with your choice. After all, your vehicle is covered by a Lifetime Engine Limited Warranty.
