

BRONZE

3 Coverage Programs To Meet Your Needs...

BRONZE COVERAGE includes items detailed below:

- **ENGINE:** All internally lubricated parts found within the Engine Block consisting of but not limited to pistons, piston rings and pins, crankshaft and main bearings, connecting rods and rod bearings, camshaft and bearings, timing chain and/or gears (tensioner and guides excluded) rocker arms, valves, valve springs, seats and guides, valve push rods, oil pump, VVT Actuators (Variable Valve Timing) and lifters. The engine block, cylinder head(s), and rotary housing are covered only when replaced in conjunction with covered repairs. There is no electrical component coverage under this section.
- **TRANSMISSION:** All internally lubricated parts found within the Bell Housing of an automatic or manual transmission consisting of but not limited to gears, input and output shaft, bearings, front pump, planetary assemblies, overdrive housing/carrier and transmission case if malfunction caused by covered parts. Reaction carrier, center support, parking lock actuator, stator and stator shaft, separator plate, pressure regulator valve, springs, governor assembly, accumulator plate, valve body, flywheel, torque converter, release and pilot bearings. There is no electrical component coverage under this section. Excludes all manual clutches, dual clutches, clutch plate, pressure plates, and clutch components.
- **TURBO/SUPERCHARGER:** Turbo or Supercharger wastegate and control module.
- **DRIVE AXLE ASSEMBLY** (All Wheel drive and 4WD units): Transfer case including gears, drive chain, main shaft, thrust washers/shims and bearings. Differential, front drive shaft, axles, Universal and CV joints, except if boot is damaged and/or missing. Seals and gaskets, when in conjunction with a covered repair only. No electrical component coverage.
- **DRIVE AXLE ASSEMBLY** (Front or rear wheel drive units): Consisting of but not limited to: Drive shaft, ring and pinion gears, pinion bearings, carrier assembly, thrust washers, axle and limited clutch pack assembly. Universal and CV joints, except if boot is damaged and/or missing. Drive axle house is covered if failure is caused by listed covered lubricated parts. Seals and gaskets, when in conjunction with a covered repair only. No electrical component coverage.
- **COOLING SYSTEM:** Fan and fan clutch, primary electric fan motor, heater core valve, and radiator, Water pump and thermostat. No electrical component coverage.
- **AIR CONDITIONING:** Compressor, compressor clutch, condenser, evaporator, accumulator, front blower motor, clutch coil, clutch bearing, AC dash control and modules, receiver, receiver drier, orifice tube, compressor seals, field coil, expansion valve, pressure cycling switch, inside ambient temperature sensor and accumulator.
- **SEALS & GASKETS:** Within the Engine Block, Transmission bell housing and Transfer case. Excludes Exhaust System Gaskets and Intake Manifold Gasket.
- **STEERING:** Steering gear, rack and pinion, and all internal lubricated parts. Power steering cooler and lines. Power steering pump (electric or engine driven), steering column shaft and couplings, steering box, drag links, idler arm, pitman arm, and tie rod ends. No electrical component coverage.
- **SUSPENSION:** Front or rear leaf or coil springs, only if broken. Control arms, control arm bushings, upper or lower ball joint, control arm shafts, front or rear wheel bearings, spindles, radius arms and bushings. Stabilizer bar, links and bushings, torsion bars, sway bars, sway links and hub assembly. Excludes Air Springs.
- **BRAKES:** Wheel cylinders, disc brake calipers, proportioning valve, master cylinder, power brake booster.
- **ELECTRICAL:** Alternator, starter motor, voltage regulator and distributor, front or rear wiper motors (head lamp wiper assemblies are NOT covered), power window motors and regulators, power seat motors, power door lock actuators, starter motor solenoid, horns, neutral safety switch, reverse indicator switch, turn signal switch, washer pumps, ignition igniter and module, coil packs, crankshaft position sensor, camshaft position sensor, head lamp switch, blower motor speed switch, ignition switch and lock cylinder, knock sensor and stop lamp switch.
- **FUEL SYSTEM:** Fuel pressure regulator(s), fuel gauge, control valve, fuel injection pump, and fuel sending unit, Fuel injectors, diesel injectors, In tank Fuel pump, metal fuel lines and metal fuel tank. No electrical component coverage.
- **CRUISE CONTROL:** Cruise control switches and actuator.
- **RENTAL CAR:** We cover one (1) day of rental reimbursement for the first four (4) hours of covered labor and 1 day of rental for every 8 hours of covered labor thereafter up to thirty-five dollars (\$35.00) per day. The total rental coverage cannot exceed two-hundred-twenty-five dollars (\$225.00).

SILVER

SILVER COVERAGE includes all of Bronze Coverage items plus items detailed below:

- **COOLING SYSTEM:** Fan control module, heater motor, heater control module, heater core, coolant pump for heater, coolant heater solenoids or control valves, radiator heater core, heater control valve, and fan blade.
- **ELECTRICAL:** Sun roof motors, convertible top motors or actuators, power antenna, power mirrors; power trunk, tailgate, hitch, and side door motors or actuators (including vacuum motors or actuators). Remote door lock receivers. Wiring harnesses. Ignition lock cylinder, all manually operated switches. Driver information gauges, front or rear wiper motors (head lamp wiper assemblies are NOT covered). (NOTE: Remote transmitters or key fobs, GPS, Radio, Stereo Systems, CD Changers, MP3 players, TV, Disc Players, Satellite Radio, and On-Star units are NOT covered).
- **FUEL:** Fuel control module, fuel rails.
- **BRAKES:** Components of the anti-lock brake system including: wheel cylinders, front or rear calipers, brake springs, pins, and hardware kits, wheel speed sensors (sensors damaged by bad wheel bearings are not covered), brake hoses, brake lines, brake combination or proportioning valves, master cylinder, ABS pump, ABS module, ABS hydraulic unit, ABS hydraulic control unit, ABS accumulator, parking brake actuator, wheel cylinders, disc brake calipers, proportioning valve, master cylinder, power brake booster. (NOTE: Brake linings, pads, rotors and drums are NOT covered).
- **SEALS AND GASKETS:** Intake manifold gasket. (Excludes Exhaust System Gaskets)

GOLD “EXCLUSIONARY”

GOLD EXCLUSIONARY COVERAGE includes all factory installed mechanical or electrical components except those items listed below and in SECTION 5 of your contract, Exclusions:

EXCEPTIONS TO GOLD COVERAGE:

1. All maintenance related items and the following parts including, but not limited to light bulbs, belts, hoses, filters, lubricants, coolants, spark-plugs, glow-plugs, freeze plugs, fuses, O-rings, batteries, brake pads, rotors, drums, system restraint sensors and airbags, all exhaust system components, including the catalytic converter, all emissions components, paint, tires, wheels, and rims, body components, glass/plastic (excluding timing tensioners and guides, and coolant recovery reservoir), manual clutches, dual clutches, clutch plate, pressure plate, clutch components, fasteners, bolts, hardware (unless part of a covered repair) and, factory recommended services
2. Service suggested or required factory warranty, recalls.
3. Any repair where the component has not broken, or failed, or which are not worn beyond manufacturer’s service limits.
4. Rust or corrosion damage, body repairs, convertible tops, air or water leaks or damage they cause, squeaks, rattles, sun damage, and any weather stripping.
5. Any item still covered by the manufacturers warranty.
6. On-Star Systems.
7. Satellite receivers of any type, GPS systems, wireless transmitters, audio visual units or displays, back-up cameras, software for any on board electronics, MP3 players, active cornering enhancement system, televisions, DVD any electronic interfaces, power running boards, front and rear sonar sensors, adaptive cruise control systems, lane departure sensors and windshield rain sensors. **If you purchased the appropriate Hi-Tech Surcharge, items listed in section 7 are covered.**

Hi-Tech Benefit also available on most plans.

ALL Contracts Include MAINTENANCE

OIL/FILTER CHANGE  
2 per year  
up to \$120 per

NEW BATTERY  
\$135

ANNUAL ALIGNMENT  
\$30

COOLING SYSTEM MAINTENANCE  
drain/fill  
\$50

BRAKE PADS/SHOES  
\$150

ANNUAL TIRE ROTATION  
\$30

FRONT WIPER BLADES REPLACEMENT  
\$30

All listed amounts reflect the maximum payout for each benefit.

### ADDITIONAL BENEFITS:

#### NATIONAL ROADSIDE ASSISTANCE

For 24/7/265 Roadside Assistance call  
877-578-3572. For Mechanical &  
Maintenance Assistance call toll-free  
833-852-GOLD (4653).

#### NATIONWIDE PROTECTION

Your GSAN coverage is good wherever you drive  
throughout the United States and Canada.

#### ADR: AUTO DEDUCTIBLE REIMBURSEMENT

\$500 Reimbursement of your  
insurance deductible.  
*Not available in all states.*

#### VRB: VEHICLE REPLACEMENT BENEFIT

\$2,000 toward a replacement vehicle at  
original selling dealer, in the event  
of total collision loss.

COMPONENT	AVERAGE REPAIR*
Engine Overhaul	\$4,800
Transmission Overhaul	\$3,500
Front Suspension	\$700
Air Conditioner	\$1,400
Power Steering	\$1,300
Electrical	\$700
Anti-Lock Brakes	\$800
Fuel Pump	\$500
Cooling System	\$600
Power Window Motor	\$300
Electronic Control Module	\$1,200

\*Average repair costs are based on national averages.  
Actual costs may vary.

*\*Please see your contract for full details.*
